++ Valid for broadcast between 1800 and 0600

Headline:
Rather cloudy tonight but brightening up on Wednesday. Cooler Thursday.

This Evening and Tonight:
A fine and dry evening but becoming rather cloudy later, with low cloud feeding off the North Sea, perhaps likely to produce some patchy light rain and drizzle locally. Minimum temperature 14 deg C (57 deg F).

Wednesday:
A cloudy start, although the cloud will soon lift and break to give some bright or sunny spells. Feeling warm in the sunshine. Turning cloudier in the east later. Maximum temperature 23 deg C (73 deg F).

Outlook for Thursday to Saturday:
Cloudy and damp start on Thursday, then drier and brighter later and feeling cooler. Largely dry with sunny spells on Friday and Saturday. Feeling cool along North Sea coasts.
